What is the Bethel Education Foundation?

The Bethel Education Foundation, Inc. is a non-profit corporation, recognized by the Internal Revenue Service as a tax-exempt, 501(c)(3) organization. Donations to the Foundation are tax-deductible by contributors to the extent allowable by law. The foundation was founded in 2004 by a group of parents and educators who share a common priority—public and private education in the Town of Bethel.

Our mission is to promote innovation, creativity and excellence in learning for our children and community.

Since 2008, the Foundation has provided funding for dozens of very special projects which support initiatives for pre-school children, the Bethel Public School District, and St. Mary School. Totaling tens of thousands of dollars, our contributions to education in Bethel have affected our children directly.

How is our mission realized?

Innovative Teachers

The Foundation recognizes innovative teachers through the Teacher Grant Program

Creative Opportunities for Students

The Foundation fosters creativity by financially supporting unique educational programs and projects

Excellence in the Community

The Foundation nurtures the healthy enthusiasm for education that businesses, civic groups and residents have in our Bethel Community

How does the Foundation raise funds?

Special events, such as our annual **Barnum Ball** and the **Teacher Recognition Program**, raise funds.

We also fund our initiatives through **corporate contributions and matching funds, individual donations, and community partnerships.**
