2022-23 Grant Application Guidelines

The mission of the Bethel Education Foundation is to promote innovation, creativity, and excellence in learning for our children and the Bethel community. We are pleased to offer grants to educators in the Bethel Public Schools and St. Mary's School for projects that fulfill our mission. The Bethel Education Foundation is a charitable 501(c)(3) organization.

WHO CAN APPLY?

- Teachers, administrators and other school professionals of the Bethel Public School System or St. Mary's School Bethel.
- Educators from other non-profit educational institutions within the Bethel community.

A SUCCESSFUL PROGRAM OR PROJECT WILL:

- Be hands-on, experiential, innovative and interactive and represent a fundamental advance in the manner in which curriculum is taught.
- See students thinking, exploring, building, creating, experimenting, and presenting as a result of the grant.
- Capture students' interests and incite their intellects.
- Serve a real need that is outside the normal operating budgets of the schools.
- Benefit the largest number of students possible.

WHAT IS NOT ELIGIBLE FOR FUNDING:

- Flexible seating – kinesthetic tables, wobble chairs, yoga balls, etc.
- SMARTBoards, laptops, and Senteo Systems can no longer be requested by individual teachers, but must be consolidated and submitted by the administrator.
- We do not fund proposals that are mainly for supplies, salaries, or other items that should be taken care of by typical school and district budgets.
- The Foundation will not fund any project which it determines in its discretion does not meet the letter as well as the spirit of its guidelines.
- We do not fund existing programs or fund programs on an on-going basis.
- We will not fund the expansion of projects previously funded by BEF that benefit the same students (for example, a request to fund iPad covers for iPads previously purchased through a BEF grant).

- A grant review meeting will take place roughly **4 weeks after each deadline**. The exact time and location will be determined closer to that date. All applicants will be asked to hold the date.
- Closer to the meeting date BEF directors will follow-up with notification to attend the meeting or not. There will be a Zoom option for attendance as well. The main purpose in attending this meeting is to respond to questions from the BEF directors.
