

Candidate's Forum Rules

- 1 - This is a forum, not a debate. No public comment will be accepted during the forum.
- 2 - Questions for the evening were submitted in advance through an open call to the community. The questions being asked were selected by a committee of volunteer representatives from the Bethel Central PTO and Bethel Education Foundation.
- 3 – The moderator will ask questions to the Candidates, allowing each Candidate an opportunity to answer the question. Answers will be given in a round-robin format, with a different Candidate beginning each round.
- 4 - Timers will be used and time warnings given at 30 seconds, 10 seconds and 5 seconds left in the response time.
- 5 - We expect and encourage civil discourse and look forward to your answers.
